

ANNUAL REPORT

2024
EDITION

OUR MISSION & VISION

Our mission is to provide ongoing housing, employment and wellness services to Veterans and the underserved from static and virtual platforms to stabilize their living conditions and support them in becoming productive members of their communities.

Our vision is to become a first-choice safe haven for Veterans and the underserved by providing a one-stop resource for life-saving services as they transition from homelessness/crisis to a healthy, productive and self-reliant lifestyle.

NVOP's primary path for accomplishing this vision is a three-step process thru which we house the Veteran, assess/address mental health needs, and reintegrate the Veteran into the workforce. This proven technique will reinforce the success achieved and strengthen the Veteran's resolve to sustain that success. NVOP aims to implement this strategy in all Texas NVOP sites and then export that strategy to States where there is great need for Veteran services.

“

I'm an ex-homeless Vet, I've also been in drugs, jails, and prisons...NVOP opened their doors and gave me a chance...they believed in me.

”

Seth Jarmon

A WORD FROM OUR CEO

It is a great honor to lead the American GI Forum National Veterans Outreach Program and support Texas veterans and community members in need. In recent years, our dedicated staff has faced and overcome numerous challenges, including a global

pandemic, record-high inflation, and growing polarization across the country. I am immensely proud of their unwavering commitment to not only confront these obstacles but to do so with true grit and determination.

As a veteran myself, I understand the challenges our service members overcome every day during their service. It is our mission to stand up for them with the same courage and fortitude they have shown in defending our nation.

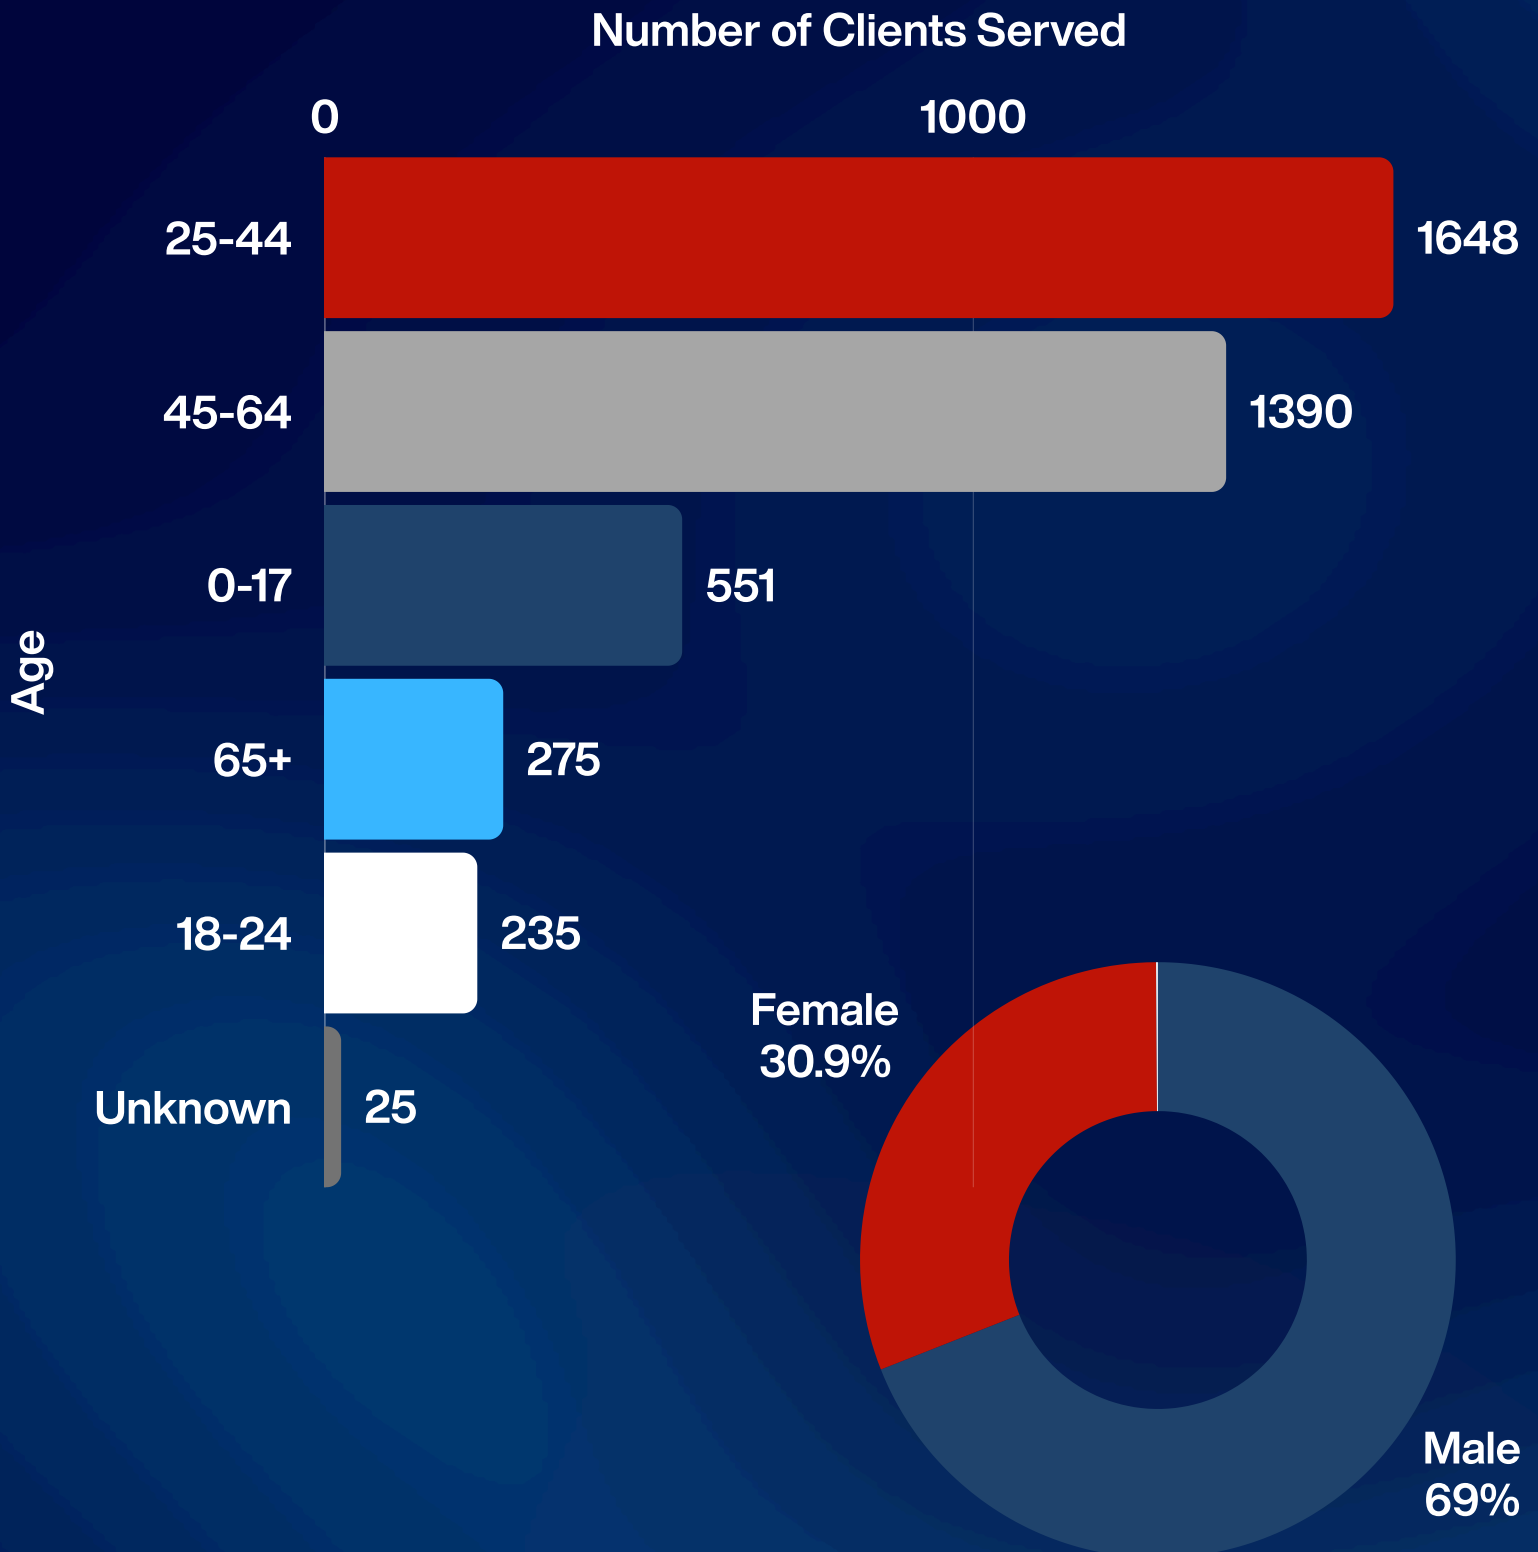

OUR IMPACT

In 2024, our dedicated staff served 4,124 individuals—community members working to rebuild their lives. Many have families and loved ones relying on them, while others face their challenges alone, with no one to turn to in their time of need. Each person has a story—a journey that has led them to this moment—and all are seeking a fresh start. It is our organization's privilege to support them in that process.

As you look at the numbers of those we have served, take a moment to remember that each figure represents a life transformed, a family set on a new path, and a future made brighter for all of us.

WHO WE SERVE

In 2024, NVOP served 4,124 individuals with life-changing services. The following is a breakdown of the people served in our Texas communities.

MENTAL HEALTH SERVICES

NVOP launched its mental health services in San Antonio in 2019 and remained a vital support system throughout one of the most significant global health crises in decades. In 2024, NVOP expanded access statewide through telehealth, bringing professional mental health care to individuals and families across Texas.

OUR HISTORY

Founded in 1972 by the American GI Forum, the National Veterans Outreach Program (NVOP) was established to help Veterans in underserved communities access the benefits they earned—beginning in San Antonio, TX. For over 50 years, NVOP has been dedicated to empowering the individuals and communities we serve. Our programs have supported nearly half a million Veterans and civilians through housing assistance, employment training, and mental health services.

Today, NVOP operates more than 10 life-changing programs focused on helping individuals and families rebuild their lives. We are proud to serve communities across Texas, with offices in major cities including Austin, Dallas, Fort Worth, El Paso, Houston, Plano, and San Antonio.

As we look to expand our impact nationwide, we know we can't do it alone. We invite you to join us—whether by making a donation, volunteering your time, or supporting our annual golf tournament. Together, we can continue building stronger futures for those who have served and those in need.

Sponsorship Opportunities Available Now!

Don't miss out on a classic. Support our service members and enjoy drinks, food, golf, and more.
